„Creative Foundry” exhibition

will be an integral part of the World Foundry Congress

The aim of the exhibition is to provide the leading world and Polish scientific-research centres, universities and enterprises.

The exhibition will present creative and innovative solutions in foundry engineering technologies, castings, materials, production processes, equipment, machines and foundry devices as well as in management solutions.

We encourage you to participate

Price of the exhibition space with stand:

**from 4 to 40 sqm
- 1000 PLN net / sqm**

Final cost of the exhibition space above 40 sqm will be considered on the individual bases

REGISTRATION DEADLINE: 1ST MARCH 2018
